

ARDO

WATER SOLUTIONS

Ardo Water Solutions are an independent business specialising in water solutions and solar powered water pumps run solely by Water Technician, Peter Thorp.

All of the solar powered water pumps are made to order and come in a range of materials to suit your individual needs.

The pumps can also be made in many sizes, ranging from 100 Watt to 400 Watt.

On delivery they will be ready to install with minimal effort.

200 WATT SOLAR PANEL

115 AH LEISURE BATTERY

**20 AMP CONTROLLER TO
REGULATE CHARGE TO
BATTERY**

**PRESSURE VESSEL AND
GAUGE**

**PUMP CAPABLE OF PUMPING
