INTRODUCING

STORMBOOST

THE SOLUTION TO POOR MAINS WATER PRESSURE

- ▶ UP TO 5 YEAR WARRANTY
- ▶ MAINS PRESSURE BOOSTED BY UP TO 2.5 BAR
- ▶ RANGE INCLUDES A STAND-ALONE PUMP AND MODELS COMBINING PRESSURISED STORAGE OF UP TO 150 LITRES ACTUAL CAPACITY
- ▶ MAX PUMP OUTPUT FLOW RATE OF UP TO 30 LITRES/MIN (MODEL DEPENDENT, RESTRICTED DURATION)
- ▶ SWITCHES ON/OFF AUTOMATICALLY
- ▶ HIGH QUALITY, ROBUST BRASS PUMP BODY & IMPELLER
- ▶ ANTI-VIBRATION CONNECTION HOSES INCLUDED

OVERVIEW

STORMBOOST boosts existing mains water pressure by up to 2.5 bar and a maximum flow rate of 27 litres per minute (model dependent, restricted duration).

The **STORMBOOST** pump range is designed to be connected directly to the incoming cold water mains and activate automatically when a tap is opened or a shower is switched on, boosting mains water pressure and flow throughout the property.

APPLICATIONS

- ▶ Boosting mains water pressure to properties using a combi-boiler
- ▶ Ideal for properties with up to two bathrooms
